Summary

Computer Science and Engineering (AI-ML) student with a CGPA of 9.06/10 and hands-on experience in web development, database management, networking, and programming. Built projects in Python, SQL, web technologies. Quick learner with strong problem-solving abilities, seeking internship opportunities to gain practical industry experience and contribute to real-world software projects.

Education

Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai Expected May 2028

Bachelor of Technology in Computer Science and Engineering (AI-ML)

CGPA: **9.06/10.0**

Bhashyam Junior College, Guntur 2024

Intermediate (12th Grade) – 91.9%

Apex High School 2022

SSC (10th Grade) – 90.5%

Technical Skills

Programming Languages: Python, Java, C, SQL

Web Technologies: HTML, CSS, JavaScript

Databases: MySQL, MongoDB

Tools: Git, GitHub, VS Code

Core Subjects: Data Structures, Database Management Systems (DBMS)

Projects

Blood Donor Finder System Python, MySQL

- Developed a blood donor management application using Python.
- Implemented donor registration, blood-group filtering, and search functionality.
- Managed donor information efficiently using database integration.
- Improved accessibility of donor records through a user-friendly interface.

Student Database Management System MySQL, SQL

- Built a database-driven application to manage student records efficiently.
- Implemented CRUD operations using SQL queries.
- Designed relational database tables for structured data management.

Angry Bird Game Python

- Developed a physics-based 2D game using Python.
- Implemented projectile motion, gravity, and collision detection.
- Designed multiple levels with scoring and restart functionality.
- Applied object-oriented programming concepts for modular development.

FPV Drone with Gas and Fire Detection Arduino, Sensors

- Contributed to an Arduino-based drone system for hazard detection.

- Integrated gas and thermal sensors for monitoring environmental conditions.
- Assisted in testing, calibration, and system validation.

Certifications

- CCNA: Introduction to Networks (Cisco)
- CCNA: Switching, Routing and Wireless Essentials (Cisco)
- NPTEL – Introduction to Industry 4.0 and Industrial Internet of Things (Elite + Silver)

Achievements

- Maintained a CGPA of 9.06/10 in B.Tech CSE (AI-ML).
- Earned Elite + Silver certification in NPTEL Industry 4.0 and IIoT.

Extracurricular Activities

- Organized and coordinated college technical and cultural events.
